

PROUDLY REPRESENTS IN NORTHERN CALIFORNIA

NuTech

Automatic & manual balancing valves, coil piping packages, lead-free valves, hose kits

Vortisand

High efficiency submicron filtration systems for open cooling towers or closed loop hydronic systems.

Badger Meter

Flow & BTU meters: Digital ultrasonic, inline electromagnetic. Mechanical insertion, nutating disk, oval gear.

Unisource Mfg

Bellows, expansion compensators & joints, nested U-loop, V-loop, stainless steel & bronze braided flexible connectors.

Hydroflex

Domestically produced stainless steel braided flexible connectors.

Duraflex

Bellows, expansion joints, stainless steel & bronze braided flexible connectors, tubing, & hose assemblies.

Bray

Specialty HVAC valves, high performance butterfly valves, ball valves & control valves.

Bonomi North America

High performance ball & butterfly valves with optional positioner & actuation packages.

DuraValve

Brass & stainless steel ball valves, butterfly valves, pneumatic and electric actuators, and actuated assemblies.

SWEP

Braided plate heat exchangers for HVAC, refrigeration.

ChamFlex

"Class A fire rated" hose assemblies & kits designed for water source heat pump, fan coil, VAV, and chilled beam applications.

Net Zero Water

Commercial rainwater harvesting and gray water treatment systems.

Pipe Shields

Pre-Insulated pipe supports, guides, and anchors.

Duo-Aire

Commercial kitchen ventilation & utility distribution systems
